

Home Security™

Video surveillance [CCTV] solution on mobile

Home Security™

Domus Home Security™ : the security of your home is in your hands

The risks to the security of the habitat are known : for example in France, more than 500 000 burglaries take place each year, or one every 2 minutes! 80% are between 14 and 16h ... And of course, once the infringement was discovered, **it is too late!**

With Domus Home Security™, check yourself the security of your home from your mobile!

Domus Home Security™ is an **application of video surveillance**, combined with AXIS and MOBOTIX cameras. It allows:

- receive on your mobile **free alerts mails** containing photographs of suspicious movements detected by your camera.
- **watch in real time and take control** of your security cameras from your mobile!
- **enable and disable** remote motion detection.
- **view and manage** multiple cameras located on the same or different locations.

All mail alerts are free!

Domus Home Security™ is only 3.80 € / month * VAT included for a one year subscription, or 6.50 € / month * VAT included for 3 months subscription. No additional cost is required!

With Domus Home Security™, go out with peace of mind.

* Cost of the subscription for one or more mobile and one camera. Additional camera cost: 2.50 € / month VAT included.

Home Security™
